

Motivated MCA student with a strong interest in technology and problem-solving. Skilled in Python, SQL, and data analysis, with experience in academic projects. A quick learner with good analytical skills, seeking opportunities to gain practical experience and grow professionally.

Work Experience

Business Development Intern

Across The Globe (ATG)

Jan 2025 - Mar 2025

Researched potential markets and identified new business opportunities. Supported the team in lead generation and client communication. Assisted in developing presentations and proposals for prospective clients. Collaborated across multicultural teams to achieve strategic goals.

Adobe After Effects

Easy Shiksha

Dec 2022 - Feb 2023

Gained hands-on experience with Adobe After Effects for video editing projects. Designed and created motion graphics for e-learning materials. Assisted with post-production processes to enhance visual quality

Projects

City Spectra

Flask web app for urban area recommendations with admin analytics & matplotlib visualizations.

Personal Portfolio

Developed a responsive personal portfolio website to showcase projects and skills using HTML, CSS, and JavaScript. Implemented interactive features like an image slider and ensured a user-friendly experience across devices.
